Campus & facilities

Career Point has been developing great minds for more than two decades. Continuing the tradition of excellence in delivering quality education and to push forward the boundaries of knowledge to positively impact people's lives, we started universities at Kota and Hamirpur.

Our Universities are having state-of-the-art infrastructure, best academic facilities and experienced faculty to help you to realise your full potential. We follow time-tested internationally acclaimed credit based system. All our courses are designed to provide you excellent learning, requisite expertise, rewarding qualification, practical exposure, hands-on-learning and desired skills for a successful career.

Career Point University, Rajasthan

The campus is spread over 50 acres and situated at education city Kota in the state of Rajasthan. It was established in 2012 by Rajasthan State Legislature under "Career Point University Act". It is a government recognised university with the right to confer degree as per the section 2(f) and 22(f) of the UGC Act, 1956.

Career Point University, Himachal Pradesh

The campus is spread over 30 acres, surrounded with lower Himalayas at Hamirpur district in the state of Himachal Pradesh, India. It was established in 2012 by the Himachal Pradesh State Legislature under "Career Point University Act". It is a government recognised university with the right to confer degree as per the section 2(f) and 22(f) of the UGC Act, 1956.

Both the universities are included in the list of Indian Universities maintained by University Grants Commission (UGC) and Association of Indian Universities (AIU)

Our Recognitions & Approvals

CPU ACADEMIC SYSTEM - *System for Imparting Knowledge*

Career Point University's academic system works with "Student First" approach and takes all necessary actions to provide best education and facilities to our students. Academic system at Career Point University is built around experimental learning where the students are motivated to understand conceptual framework and apply them.

Career Point University follows the world's best IIT education system to support every student to realize their potential with an experiential approach in the academics. The academic system of Career Point University is students' centric giving students an opportunity to participate and enhance their knowledge, skills and understanding in multi-disciplinary environment. The experiential learning ensures that the knowledge imparted to students work for building a strong career.

Key aspects of CPU academic system are -

The academic system of CPU is just not limited to course curriculum but also to inculcate various skills which are essential for student to become professional and leaders of tomorrow.

I am Harsh Kumar, I got placed in TCS in 2018 batch. I would like to thank my professors and Training & Placement Cell for providing me the best learning environment & exposure to industrial training programme. The examination system is very transparent and mature. Results are declared always in time.

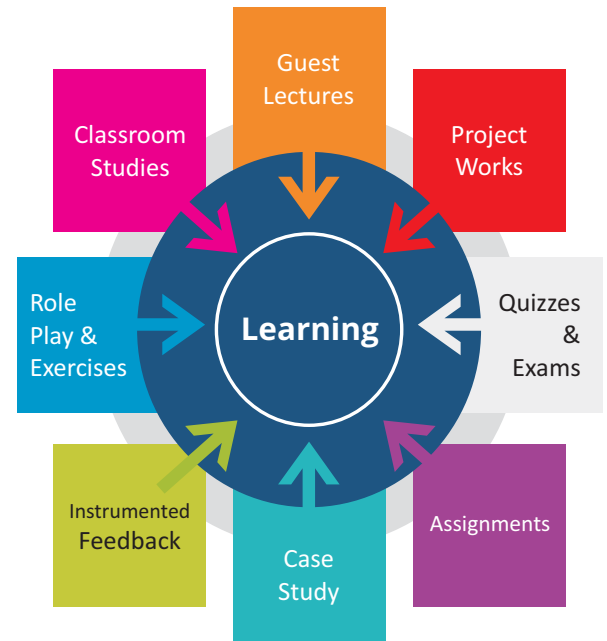

Harsh Kumar
Working with TCS

TEACHING AND LEARNING - *Knowledge that Works*

Research into higher education suggests that students learn best when they are actively participating, whether that be through focused listening, discussion, problem solving or explaining to others. The teaching and learning at CPU, encourages independent critical thinking and analysis, assessing you not only on your academic knowledge but also on skills that employer's value, such as how to work as part of a team, make presentations and tackle problems creatively.

We pride ourselves on the quality of the education we provide. All subjects are taught by experts as per the latest industry requirements, ensuring that outdated techniques are eliminated from the course content. Practical skills are a vital part of any course, and it is important that the laboratory and project work should integrate well with the taught courses. As such, not only laboratory experience but also individual and team project work are given a high priority during the teaching and learning at CPU.

All the courses at CPU are designed as per the needs of industry to ensure you acquire the skills and knowledge necessary in your chosen career.

New projects & assignments sharpened my ability to analyze situation in innovative way. I got job in Wipro Limited through campus placement at Career Point University. Thanks to all.

Karan Sharma
working with Wipro

FACULTY - *Brightest Mind to Mentor the Best Brain*

We believe that the students' learning is determined greatly by the quality of teachers they have. To ensure high quality of teaching, our leadership team has handpicked teaching staff; majority of them are from premier institutions having distinguished academic achievements to their credit and are actively involved in teaching, research and consultancy. Our faculty members come from a wide range of backgrounds and bring varying academic experiences and approaches. We also ensure that our faculties are up-to-date with the latest trend in the field of academics and its application in the industry. We also have pool of experts from industry, business, government and research institutions to ensure mix of real world experience and academia. The CPU faculty and staff work together to provide an outstanding learning environment to our students.

One-on-One Mentorship

To monitor the performance of students, each student is assigned one faculty member as a mentor. Mentor records the profile of student with regards to academic performance and participation in extra-curricular activities. Mentor help students build a set of curricular & extracurricular experiences that align with their interests and goals. Students can contact their mentor for any academic or non-academic issue during the session.

Training & Placement Cell works really very hard on students and that is why CPU has highest placement record in Hamirpur. I thanks my professor & T & P cell for providing me the best learning environment & exposure to industrial training.

Shilpa Kumari Working with **National Centre for Disease Control, Delhi, Govt. of India**

Career Point University campus is situated in a serene and pollution free environment. The University has modern and state-of-the-art infrastructure that goes a long way in facilitating a number of services for the students as well as the staff members. The campus has been designed by renowned architects specialized in educational architecture.

We pride ourselves on our dynamic and state-of-the-art campus having facilities which include classrooms equipped with latest teaching aids for focused learning, auditorium which acts as a common ground for students, faculty and corporate personalities for regular interfaces, conferences and other events, library with the wide range of text books, reference books and journals by well-known Indian & International authors, computers & other laboratories with latest equipments, cafeteria, sports facilities, excellent student's amenities and much more. The campus provides an ambience perfectly conducive to teaching, learning and research.

Academic Facilities-

- ▶ Classroom
- ▶ Library & e-Library

RESEARCH INNOVATION & ENTREPRENEURSHIP

Research

The Career Point University revels to have the highest standards of research with eminent research faculties to match the best in the region. Outstanding research works of our students have been rewarded with international and national recognitions and awards.

Innovation

Career Point University has implemented an innovation fund policy to provide initial financial support to students to develop something innovative and useful for the society or the mankind. Later the option is always open to file a patent of the work done by the scholars. This is to provide them support and recognition in all their future endeavors. Hybrid Car and Commercial production of Solar Lamp are the initial appreciable steps taken by our students

Entrepreneurship

The University inculcate entrepreneur skills among students during the learning process so that the future leaders come forward and start their own venture as an "Entrepreneur". Instead of job seekers they should be job provider or employers.

Startup Oasis (A Joint Venture of RIICO & CIIE – IIMA)

Startup Oasis is a Jaipur based incubation centre that is developing an ecosystem in Rajasthan to inspire and support students, aspiring entrepreneurs and start-ups to solve persistent problems, develop breakthrough innovations and create world class enterprises.

Startup Oasis has been set-up at the joint initiative of RIICO and the Centre for Innovation, Incubation and Entrepreneurship (CIIE) at IIM Ahmedabad

STUDENT
DEVELOPMENT
PROGRAMME

**ACADEMIC | TECHNICAL
CULTURAL | SOCIAL**

We understand that student's success is not solely defined by grades - in today's world students must have excellent life skills. CPU grooms students in multi-dimensional areas thereby enabling them to effortlessly face the challenges of corporate world and also to become a better human being once they have completed their education.

Life skills like - Leadership skills, team skills, decision making capability, ability to think on feet, presentation skills, analytical bent of mind, innovation, pleasing personality, communication skills, positive attitude etc. are few of the qualities which we aim to develop among the students. Regular classes are conducted for providing the students a base to develop their reading and writing skills. We have professional trainers for soft-skills and personality development. The pre-final and final year students are given extra grooming through an exclusive two month program called "Campus to Corporate" which enables students to not only get their dream job but also seamlessly blend into the corporate world.

Learning Life Skills by Doing:

"Experience makes man perfect" - Hence to build life skills, we prefer that our student must learn these by doing. That's why all activities at CPU are planned & executed by students enabling them to manage the real life challenges effectively. This transforms students from enthusiast youths to result oriented professional.

With the excellence in academics and training programmes CPU also emphasize on life skills development like communication, team work, leadership etc. you will wonder that life skill development programmes are parts of curriculum and compulsory for all students. It really boosted my confidence and I cracked my first professional interview with no difficulty and got placed in IT giant TCS. Training & Placement Cell put their serious efforts to groom students and providing them more than 1 job offer.

Himanshu Suman, working with TCS

Learning Beyond Classroom

CPU encourages students to actively engage in various academic activities for intellectual development. Various events like Academic Conferences, Paper Presentation, Project, Tech-Exhibitions, Participation in IITs events are organized wherein students get an opportunity to interact with experts to further enhance academic knowledge.

Experts Lectures, visit to industries and working on live project complement classroom learning foster academic leadership of students.

National Conference by School of Pharmacy, CPU

English Language Classes for Afgani Students

CPU Students Visit various IITs

Expert Lecture on Lifestyle Diseases

Academic MOU with Samatrix Consulting

World Pharmacists Day Celebration

Expert Lecture on POCSO Act by CP Law College

Seminar by Regenesys Business School S.Africa

National Law Day Celebration at CPU

Academic Presentation on Water harvesting System

Specialization in two disciplines provides an Extra Edge

At CPU, you can specialize in more than one discipline. I will get major degree in B.Tech (ECE) and Minor in Finance. All our mentors here are very supportive and always encourage us to gain something new everyday...

We believe learning takes place not only inside the classroom, but also outside. CPU makes it easy for students to use & develop their talent through technical activities. Technical activities offer our students the opportunity to gain knowledge on various technological developments / aspects .

ATB by CPU Students

Entrepreneurship Awareness Camp

National Moot Court Competition organised by CPU

CPU Participants of Robo Android at IIT-Delhi

CPR Demonstration During Physiotherapy Workshop

Assembled First Working Robot

I was coordinator of the Robotic workshop in the University. We got hands-on experience of Robotics; and also assembled a working Robot. CPU's curriculum is as per industry needs and we are learning advanced technology.

CPU motivates students to participate in community services & social work. Participation in such events has many positive effects on student's personality & make them responsible professionals/ citizen.

Nukkad Natak at various public places for Social awareness

Blood Donation Camp

Civic Duties on the occasion of 15th August at various public places

Health Checkup Camp by Pharmacy Students

Workshop for awareness of Voting Rights

Civic Duties on the occasion of 02nd October at various public places

Laughter Show for Charity

Physiotherapy OPD at Mandana Dispensary

Opportunity for Students to Serve the Society

At CPU, we organise many activities of social concerns. We organise Nukkad Shows, Health Check up Camps, Blood Donation Camps, We clean city under Swachhh Bharat Movement. These activities give us feel that anybody can serve the society in anyway. Through these activities we become more social and responsible

CULTURAL ACTIVITIES

To felicitate learning beyond classroom a platform has been provide to students of CPU to take part in Asia's largest cultural festivals conducted at IITs. A Teams of CPU students participate in various extracurricular events like solo song, dance, paper writing and skit.

Punjabi Singer 'Preet Harpal' performing in "Anant 2K19"

Student performing during "Anant 2K19"

Student Performing in a Cultural Night at CPU

P. vishva Mohan Bhatt,

Famous Singer Prajakta Shukre at CPU

CPU Students at IIT Bombay

Farewell Party

Performed Comedy Show in IIT-Mumbai

At CPU, I managed to keep my hobby of acting alive. I have marked an impact through my acting in IIT Roorkee's festival. Taken part in IIT Mumbai's Cultural festival Mood Indigo and impressed everyone through Road Show.

TRAINING AND PLACEMENT CELL

Utmost importance is given to the training & placement related activities to ensure that placement for its students.

Dedicated Training and Placement Cell works round the Year and closely coordinates with various organizations and corporate houses to know their training & recruitment schedule, process and plans.

Training and Placement Cell invites experts from industry on regular basis to provide information to our students on current requirement of industry, employment trends and also conducts mock interviews, GDs and provides soft skills training before formal placements.

Once our students are prepared we conduct formal placement programs where companies visit campus and recruit students.

OFFICE OF INTERNATIONAL AFFAIRS (OIA)

■ About Office of International Affairs

The Office of International Affairs (OIA) at CPU manages the various aspects of the Institute's international engagement. OIA takes various initiatives to build cross-cultural competency and inculcate a sense of global citizenship amongst students, faculty members, researchers and other professionals. Some of these initiatives are:

- ▮ International Admissions
- ▮ Students exchange programs
- ▮ Multi Campus programs with credits transfer
- ▮ Content integration and twinning programs
- ▮ International immersion & Study Tours
- ▮ Research collaborations
- ▮ Faculty exchange and training

OIA is in-charge of coordinating all international activities, advancing a strategic plan for internationalization, fostering & nurturing international partnerships, as well as developing innovative programs for faculty and students.

International Student Admission

Career Point University (CPU) welcomes students and interns from different parts of the world. With its global outlook, CPU offers learning opportunities both inside and outside the classrooms and provides an ideal platform to international students to pursue higher education and share experiences. Along with this, the facilities and extra-curricular activities within the university provide students a truly vibrant campus life. The University values the diversity and promotes international & multi-cultural understanding.

The Office of International Affairs is nodal point to have one point contact for all international students in case they require any kind of support.

Career Point University gave me the opportunity to undergo my Doctoral studies without stress.

The interaction between students and supervisors was just the best. I am Glad to be identified with CP University.

Michael Esew (PhD Research Scholar)

CAMPUS LIFE

Residential Facilities & Campus Life

Residing in campus offers you a sublime and serene environment conducive to learning. Our hostels and student facilities are conveniently located within an easy walk to classes, library, computer labs, hobby & club activities. When you live in campus, you can attend a sporting event, spend quality time with your friends. By living in our campus you will have many opportunities to enrich your experience through many activities, as well as have access to resident staff to help you in your career pursuits.

Hostel Facility

Separate hostel for boys and girls. The rooms are designed scientifically with a partition in between so as to maintain the privacy of the students despite not being alone.

Mess

Mess within the campus serves delicious balanced diet as per daily schedule in neat and dean ambience

Cafeteria

The campus is having a spacious canteen which serves hygienic, nutritious, supple & delicious breakfast, lunch and beverages at reasonable price.

ATM

The University has tied up with leading bank for banking operations within campus. There is an ATM in campus working 24*7 right at the campus.

Sports Facilities & Gymnasium

The University has wide range of sports facility including large playgrounds for cricket, football, lawn tennis, basketball court as well as indoor play area & gymnasium.

Transport Facility

Transport facility is provided to students coming from far areas to university.

WiFi Access

High speed WiFi internet facility is available through out the campus for all students.

Life skills development programmes like communication, team work, leadership etc. are parts of our curriculum & compulsory. It really boosted my confidence and I could able to crack my first ever professional interview easily & got placed in IT giant TCS. Thanks to Training & Placement Cell for their serious efforts for grooming students.

Himanshu Suman working with TCS

SPORTS AND RECREATION

Want more energy and better concentration? Then getting active is the answer! At Career Point we believe staying fit is not only beneficial for the body but also for the mind. Sports and recreation activities plays a vital role in overall development of the students. Outdoor sports are as essential as indoor recreation to keep students stress free. Students refresh themselves by indulging in outdoor games like football, cricket and hockey. For those who prefer the indoors there are facilities for table tennis, chess and carom etc Students can also use health clubs and other facilities.

- Football
- Badminton
- Cricket Ground
- Health Clubs
- State of the art courts for Basketball, Tennis and Volleyball
- Indoor Games facilities like Table Tennis, Chess and Caroms etc.

I have pursued B.Tech in Computer Science, It has been wonderful journey whether it was academics or co-curricular. Even because of co-curricular I went out to become Internationally Rated Chess Player. I have got placed in Software Company Connection Loyalty, Pune. I would like to thank Career Point University for being my mentor and great part of my life.

**Chandrakant Working with
Connection Loyalty**

ACADEMIC AND CAREER PROGRAMS

We educate students on both professional development and degree-awarding courses. They come either to enhance an already chosen career, or to move to a new one. We bring a wide array of multi-disciplinary skills to address a number of fields. Project where students will aim to resolve real world problems. The emphasis is on problem solving, teamwork and application of knowledge. The design and execution of courses makes them truly interactive. We have created a student centered learning environment where students with talent & ambition drive transform their dreams into reality.

■ **Skill & Employability Enhancement Program (SEEP)**

Communication | Presentation | Interview | Management | Confidence Building

Each student undergoes through SEEP. This program includes various courses focusing on Personality Enhancement, Employability Enhancement Job Specific skills development and Soft Skills Development. This ensures our graduates possessing a right blend of knowledge, skills and attitude to be successful.

Career Point School of Agriculture Science

Career Point School of Agriculture has a mission to impart agricultural education for rural and urban students to bring the agricultural prosperity. The aim of the department is to create advancement in education and research with multi dimensional knowledge for our students as well as farming community.

Features

- Well Qualified & Experienced Faculty
- Project based learning in collaboration with industry/ Research Institutes
- Value Added Program in Each Semester
- National & Foreign study tours
- Dedicated training & placement cell
- Vibrant & active student life

Lab Facility

- Plant Biotechnology, Plant Physiology & Biochemistry
- Agronomy & Crop Research Centre (CRC)
- Integrated Pest Management (IPM)
- Food Processing and Post Harvest Technology
- Agriculture Microbiology & Soil Science
- Horticulture & Plant Tissue Culture
- Plant Breeding and Genetics
- Seed Technology

Value Addition Courses

- **Industry Linked Specialization:** Corporate Affairs | Retail Management | e-Commerce | Operation & Logistics | Leadership
- **Personality Enhancement Program:** Spoken English | Business Communication | Presentation Skills | Time Management | Marketing & Negotiation Skills
- **Skills Development:** Microsoft Office Specialist | Agriculture Processing | Smart Farming

Programs Offered

- ▶ **Diploma in Agri** (Organic Farming & Vermi Composting | Animal Husbandry & Livestock Management | High-Tech Horticulture, Veterinary Pharmacist - 1 Year)
- ▶ **B.Sc - Agriculture** (4 Years)
- ▶ **B.Sc - Hons** (4 Years)
- ▶ **M.Sc. - Agronomy** | Horticulture | Genetics & Plant Breeding | Forestry (2 Years)
- ▶ **MBA-ABM** (2 Years)
- ▶ **B.Sc - Forestry** (4 Years)
- ▶ **B.Sc - Agriculture + MBA** (5 Years)
- ▶ **Ph.D - All Discipline** (3 Years)
- ▶ **B.Sc.-ABM** (5 Years)

Career Point School of Legal Studies and Governance

Career Point Law School fosters the skills to comprehend and diagnose the intricacies of various legal and other inter-disciplinary issues and devise solutions to these problems through analysis and reasoning. The stimulating and interactive academic environment of the Institute helps to hone the Drafting, Research, Advocacy, Interviewing and Negotiation-skills of the students. To accomplish this, the college arranges a number of curricular and extra-curricular activities. Students are trained in essence of the substantive laws, techniques of procedural laws, methods of client counseling and skills in legal and social sciences research etc.

The Moot Court Competitions, Client Counseling Sessions, Quiz Contests, Seminars, Group Discussions and Expert Lectures etc. are regular feature the academic calendar of the School. The School also exposes its students to the 'law in action' through compulsory internships which provides free legal services to the economically weaker sections of the society as a part of community outreach programme of the School, it also offer opportunities to the students to work in co-ordination with practicing lawyers.

Features

- Advance Moot Court and Library
- Regular Legal Aid Clinic Sessions
- Live Court Visits
- Problem Based Learning Methodology
- Highly qualified faculties with practical experience
- Student Development Programs and Workshops
- Lectures by industry experts, legal experts and advocates
- Paper presentation
- Practical Exposure through live projects under guidance of advocates or legal experts

Value Addition Courses

- Industry Linked Specialization
- Personality Enhancement Program
- Skills Development

Programs Offered

- ▶ **BBA+LL.B** - Integrated (5 Years)
- ▶ **BA-LL.B** - Integrated (5 Years)
- ▶ **LL.B** (3 Years)
- ▶ **LLM** (2 Years)
- ▶ **Ph.D**

Career Point College of Arts and Humanities

Career Point College of Arts and Humanities is meant for providing students an understanding of the basic principles and fundamental laws of how people process and document the human experience and culture. The college through its various activities articulate significant social, literary, and political perspectives found in humanities. The college offers courses in all traditional and specialized subjects in art, literature, humanities, music, philosophy, language, intercultural communication.

Features

- Advanced library with reading room
- Qualified faculty with practical experience
- Student Development Programs & Personality Grooming
- Lectures by experts, authors, administrators, guest faculty and renowned personalities
- Paper presentation

Learning Objectives

- Fostering intellectual curiosity, global knowledge, critical thinking, personal responsibility & ethical and cultural awareness.
- Establish a framework for students to develop an aesthetic appreciation for fine arts.
- Prepare students to be responsible citizens, lifelong learners, and world-ready leaders in their respective fields.

Value Addition Courses

- **Industry Linked Specialization:**
Corporate Affairs | Retail management | Banking | e-commerce | Accountancy & Finance | Capital Market | Operation & logistics | Real Estate Management | Media Management | PR & Advertising | Leadership
- **Personality Enhancement Program:**
Spoken English | Business Communication | Presentation Skills | Relationship Management | Time Management | Negotiation Skills

Career Point College of Vocational Studies & Skill Development

India would need over 500 million skilled people by 2022 across various industrial and service sectors. While there are millions of jobs opportunities across these sectors; industries continue struggling for skilled talent.

Considering the growing importance to offer skill based training programmes and with the introduction of National Vocational Education Qualification Framework (NVEQF), college offers skill building courses in various sectors to create corporate ready workforce.

Features

- Sector specific courses
- Well-equipped advanced labs
- Emphasis on hands-on experience
- Student development programs & technical workshops
- Lectures by industry experts, entrepreneurs & technocrats
- End-to-end skill building focusing on improving the employability

Programs Offered

► Bachelor of Vocation in Various Sectors (3 Year Degree Course with Multiple Exit Options)

- B.Voc. Degree (3 Years for 10+2 pass all stream)
- Advance Diploma (2 Years for 10+2 pass all stream)
- Diploma (1 Year for 10+2 pass all stream)

Sectors: Banking and Financial Management, Information Technology, Sales & Marketing, Hotel Management, Tourism and Hospitality, Automobiles, Construction technology etc

► Industry Oriented Diploma and Certificate Courses

Experiential Learning @ CPU

Technique of farming without soil

Agriculture Students have demonstrated hydroponic technique of farming that doesn't require soil for growth of plants. In this technique plants get their nutrition only through water. 8 to 10 plants are placed in a series in cylindrical pots and water is passed through a motor & all the minerals of soil are mixed in water in liquid form.

Students Spreading Wings with their Mentors Authored Books:

1. **Effect of Mango Shell and Nut Shell Ash as Pavement Material (ISBN 978-3-330-03578-2)** – by Tiza Toryila Michael, M.Tech Student and Er. Sitesh Kumar Singh, Assoc. Professor
2. **Comparison of Flexural Strength Values of Palm Kernel Concrete** – by Tiza Toryila Michael, Obam S. Ogah & Ukpung U. Emmanuel, M.Tech students

Pattal Making Machine:

There is an ample opportunity for the traditional patravali due to its environment-friendly nature and biodegradability. An attempt of fabricating low-cost and more ergonomic pattal making machine is hereby made. The machine is manually operated by a foot pedal, has a fixed upper die and a moveable lower die, and is composed of a heating element.

Low Cost Hybrid Multi-Tasking Vehicle by Mechanical Branch students

A group of final year Mechanical Engineering students have developed a hybrid and economic transport vehicle which is beneficial to farmers and traders of small towns and villages. The engine is capable of generating a maximum transmitting power of 10 BHP and it can operate on battery or petrol. The fuel efficiency is 45 km per liter and it can carry a maximum load of 2 tonnes.

Go Kart for Elite Karting Championship 2017:

Students from Mechanical and Electrical branch jointly developed Go- Kart for Elite Karting Championship 2017 held at Bhopal. This was an international level Go-Karting event for all technical students. Due to their innovative ideas, excellent design and meticulous execution with set technical specifications; CPU students achieved 6th position among more than 100 teams in finale.

Briquette Compressing Machine:

- Mass Production of Biomass Briquettes.
- The Machine provides Rapid Prototyping & Mass Production of Biomass Briquettes and it requires less time to fill the patterns.
- The machine can form six briquettes at a time with the involvement of single person.
- The briquettes compression force is high as compare to manually operation, which provides briquettes with high strength, good texture, less water content ratio.

Bogie Mechanism: The model was developed as simulation for multi-purpose use in daily life. The design has no springs or stub axles for each wheel, allowing the bogie to climb over the obstacles. This mechanism is suitable for carrying items in shopping malls; one can find a separate place for carrying kids. This mechanism maintains the chassis in a balanced position, and avoids shocks even on an irregular surface.

Electricity Generation from Swing: Mechanical Engineering, B. Tech students conceived and developed innovative idea of generating electricity from the swing.

STUDENT'S SPEAK

I am from B.Tech Computer Science. Faculties are very innovative in teaching and they help me to get best knowledge. CPU follows IIT system which enhances overall skills of a student. Training and Placement department at CPU groom students to face interviews. Due to the endless effects of Training and Placement department I have placed in Infosys. I thank CPU for all they have done for me thank you.

Priyanka Deore working with **Infosys**

It's been a privileged to be part of Career Point University as a Scholar. Regular classes, labs & training sessions helped me to be a job ready. Training and Placement Cell helped me to gain more confidence and providing us the way to crack interviews and debates, group discussion etc. So with the help of this I got many bright career options. Thanks to CPU Team.

Ambika working with **Xerox**

At Career Point University I have developed many skills. I participated in many co-curricular activities. As a part of Immix I was student coordinator for the entire event. I have hosted many events in CPU like seminars and conferences. These activities has groomed my personality many folds. With the best mix of academics and co-curricular activities I could get the job in Microsoft EPS. Overall it has been a great experience and learning at Career Point University.

Romish working with **Microsoft EPS**

I am currently pursuing B.Tech from CPU Kota. CPU follows IIT, Delhi based academic system which enables us to gain more practical knowledge rather than to be a book worm. Teachers over here are cooperative and helping in nature. Academic system motivates us to explore ourselves more by providing us opportunities to participate in club activities.

Shreya Jain working with **TCS**

I participated in many activities like sports league, workshops & lead the hospitality team for various national & International seminars & workshops. Training & Placement Cell developed me in such a way that i had been able to crack Axis Bank interview in first attempt.
